

Birch Brook Nordic Ski Club

AIR WATER
AIR WATER
EARTH FIRE

Interpretive Fieldtrip #1

“Air, Water, Earth & Fire”

- Interconnectedness: seeing the big picture by starting small.
- Filling the niches: plant requirements and adaptations.
- Visit distinctly different study sites where plant Identification will be concentrated.

Saturday, May 28th from 10:30 to 12:00

Call: 896 8560
