

# BIRCH BROOK NORDIC SKI CLUB

## INTERPRETIVE FIELDTRIP # 3

### “And They’re Off!!”

- Participants will receive a checklist of plants commonly found at Birch Brook.
- The challenge is to find an example of each plant by the end of the summer.
- Some identification materials will be provided.
- Visit study sites and one special destination.

Saturday, June 11 from 10:30 to 12:00
